Yet again I have the opportunity to display my ignorance...what is a "coop"?

Bob,

Please see below questions from Conservation Corps. What do you think? Language of RFP leaves it open. Do you think we need all applicants to provide a COOP?

I'm leaning towards no...

Thanks

Hi Ellen,

Just wanted to check in with you and see if a C00P was mandatory. The guidelines ask if contractor has one then please provide a copy...but what if a contractor doesn't have a C00P?

I ask Bo if we had one and he said we have a high level vital business documents and account inventory, but do not have a standard C00P for the agency.

We can't give out the vital business records inventory but could describe it to SouthPark if need be.

Hi Ellen, Happy Monday!

Going through the SP 2019 RFP I wanted to ask you if a C00P is mandatory?

We currently don't have one for our South Park Project.

I believe we might have an Administrivia COOP but I will have to confirm that with Wendy and Bo and get back to you.

Thanks,
